## HH3

Headlamp with 3W COB LED - 215 lumens.

A robust headlamp from ZAXSO with a high-quality headband. This headlamp uses the modern COB LED. It gives a pleasant wide white light. The headlamp is very easy to operate with two light modes, on and off - that's all! 45 degree tiltable head makes it easy to change the light angle. Sits comfortably on the head with the wide band. 3 x AAA (incl.)
